Position	Nr.	Description
102	451795501102	switch operating lever
103	451795501103	return spring
104	451795501104	release lever
105	451795501105	return spring
106	451795501106	chain tensioning screw
107	451795501107	chain tensioning bolt
108	451795501108	locknut
109	451795501109	spring
110	451795501110	cap
114	451795501114	sword
115	451795501115	crown gear
116	451795501116	output shaft
117	451795501117	ball bearing 608 Z
118	451795501118	ball bearing 6000 RS
119	451795501119	chain drive wheel
120	451795501120	locking washer
121	451795501121	retaining ring
124	451795501124	chain guard
125	451795501125	screw ST4 x 21
126	451795501126	return spring
127	451795501127	half box left
128	451795501128	screw M6 x 34
129	451795501129	half box right
130	451795501130	screw ST2,8 x 13
137	451795501137	saw chain
138	451795501138	sword guard
139	451795501139	standard washer
905	451795501905	Complete Engine Assembly
921	451795501921	Electronic Control Assembly
953	451795501953	Chain Wheel Covering Assembly
99	451795501099	package
