

EC - DECLARATION OF CONFORMITY

nordlux®

Manufacturer:

Nordlux A/S
Karlskøvej 8
9200 Aalborg SV
Denmark

Type.: 3956

Model: Cafe 20

Product type: **Fixed luminaire**

See attached list:

The designated type(s) is/are in conformity with the provisions of the following European Directives

1194/2012
and amendments

Commission Regulation (EU) No 1194/2012 of 12 December 2012 implementing Directive 2009/125/EC of the European Parliament and of the Council with regard to ecodesign requirements for directional lamps, light emitting diode lamps and related equipment

244/2009
and amendments

Commission Regulation (EC) implementing Directive 2005/32/EC of the European Parliament and of the Council with regard to ecodesign requirements for non-directional household lamps

245/2009
and amendments

Commission Regulation (EC) implementing Directive 2005/32/EC of the European Parliament and of the Council with regard to ecodesign requirements for fluorescent lamps without integrated ballast, for high intensity discharge lamps, and for ballasts and luminaires able to operate such lamps, and repealing Directive 2000/55/EC of the European Parliament and of the Council

2014/35/EC
and amendments

Directive of the European Parliament and of the Council of 23 february 2014 on the harmonisation of the laws of Member States relating to electrical equipment designed for use within certain voltage limits.

2014/30/EC
and amendments

Directive of the European Parliament and of the Council of 15 September 2004 on the approximation of the laws of the Member States relating to electromagnetic compatibility

2009/125/EC
and amendments

Directive of the European Parliament and of the Council of 21 October 2009 establishing a framework for the settling of ecodesign requirements for energy-related products

2011/65/EU
and amendments

Directive of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment

2014/53/EU
and amendments

Directive of the European Parliament and of the Council of 16 April 2014 on the harmonisation of the laws of the member states relative to the making available on the market of radio equipment and repealing directive 1999/5/EU text with EEA relevance

Further information regarding compliance with these Directives is given in the annex which constitutes a part of this declaration.

Asbjørn S. Olesen

Date of certificate: 10 Nov. 2017

This declaration of conformity is issued under the sole responsibility of the manufacturer or representative. It certifies compliance with the indicated Directives, but implies no warranty of properties.
