

MANUALE DI INSTALLAZIONE, USO E MANUTENZIONE

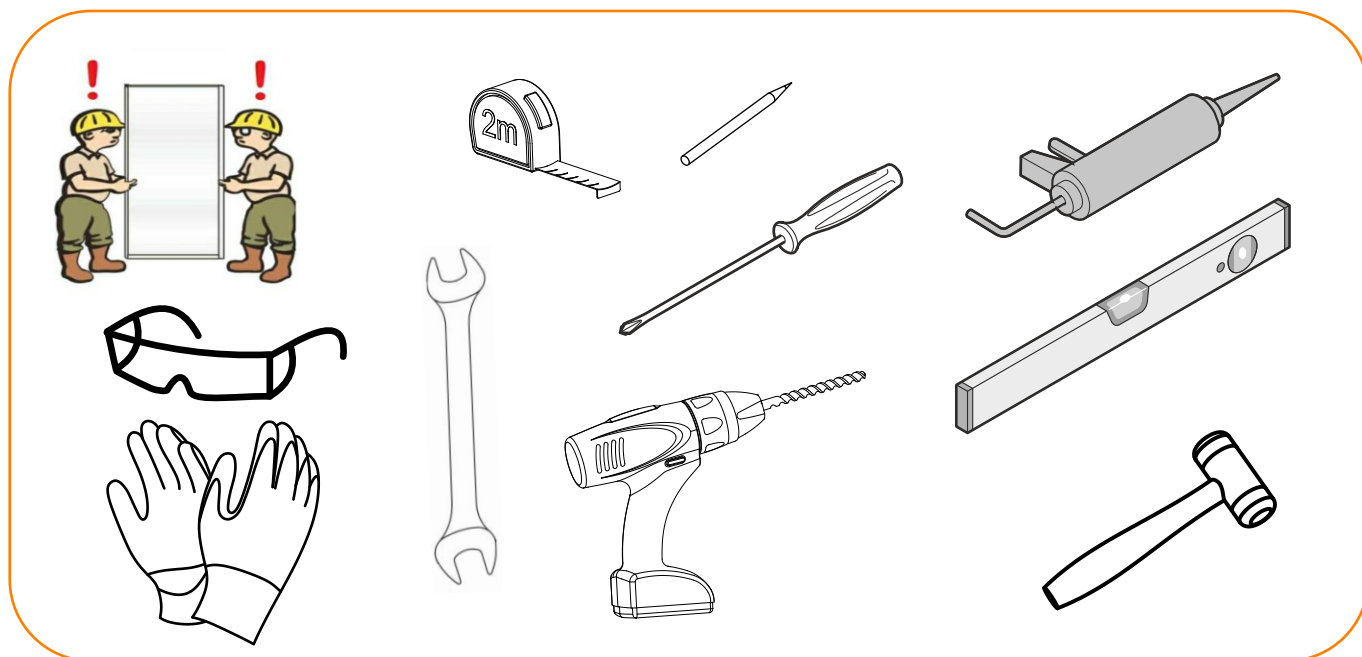

Il presente manuale rappresenta una guida per l'installazione ed il corretto utilizzo del prodotto; seguire attentamente le indicazioni riportate in quanto una errata installazione, oltre a compromettere il normale funzionamento del prodotto, può causare gravi danni a cose o persone.

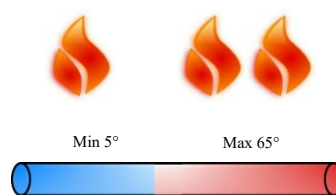

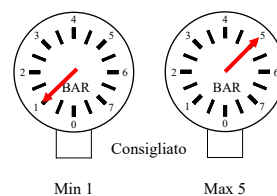

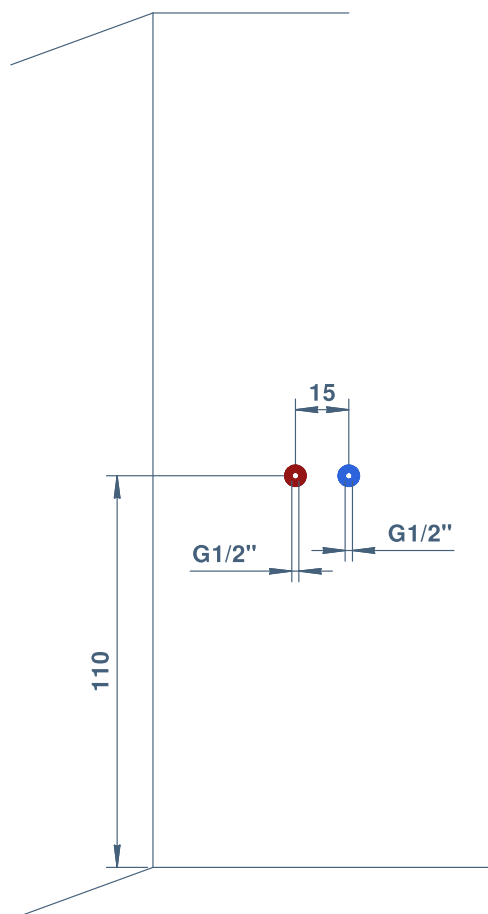

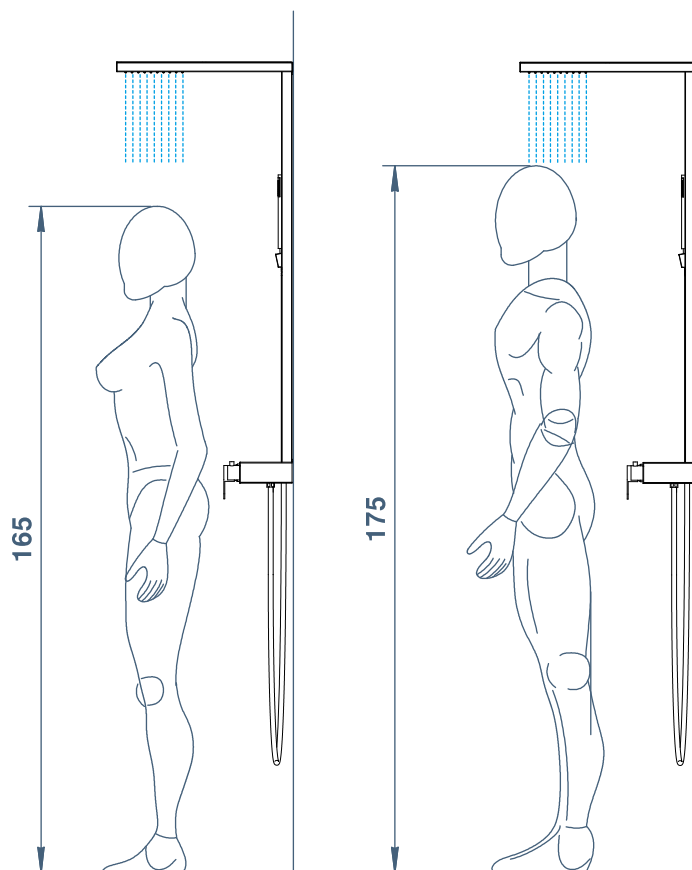

- Conservare il presente manuale per eventuali consultazioni future
- Si raccomanda di affidarsi a personale qualificato per i collegamenti elettrici ed idraulici
- Si consiglia di far eseguire il montaggio e l'installazione da tecnici specializzati

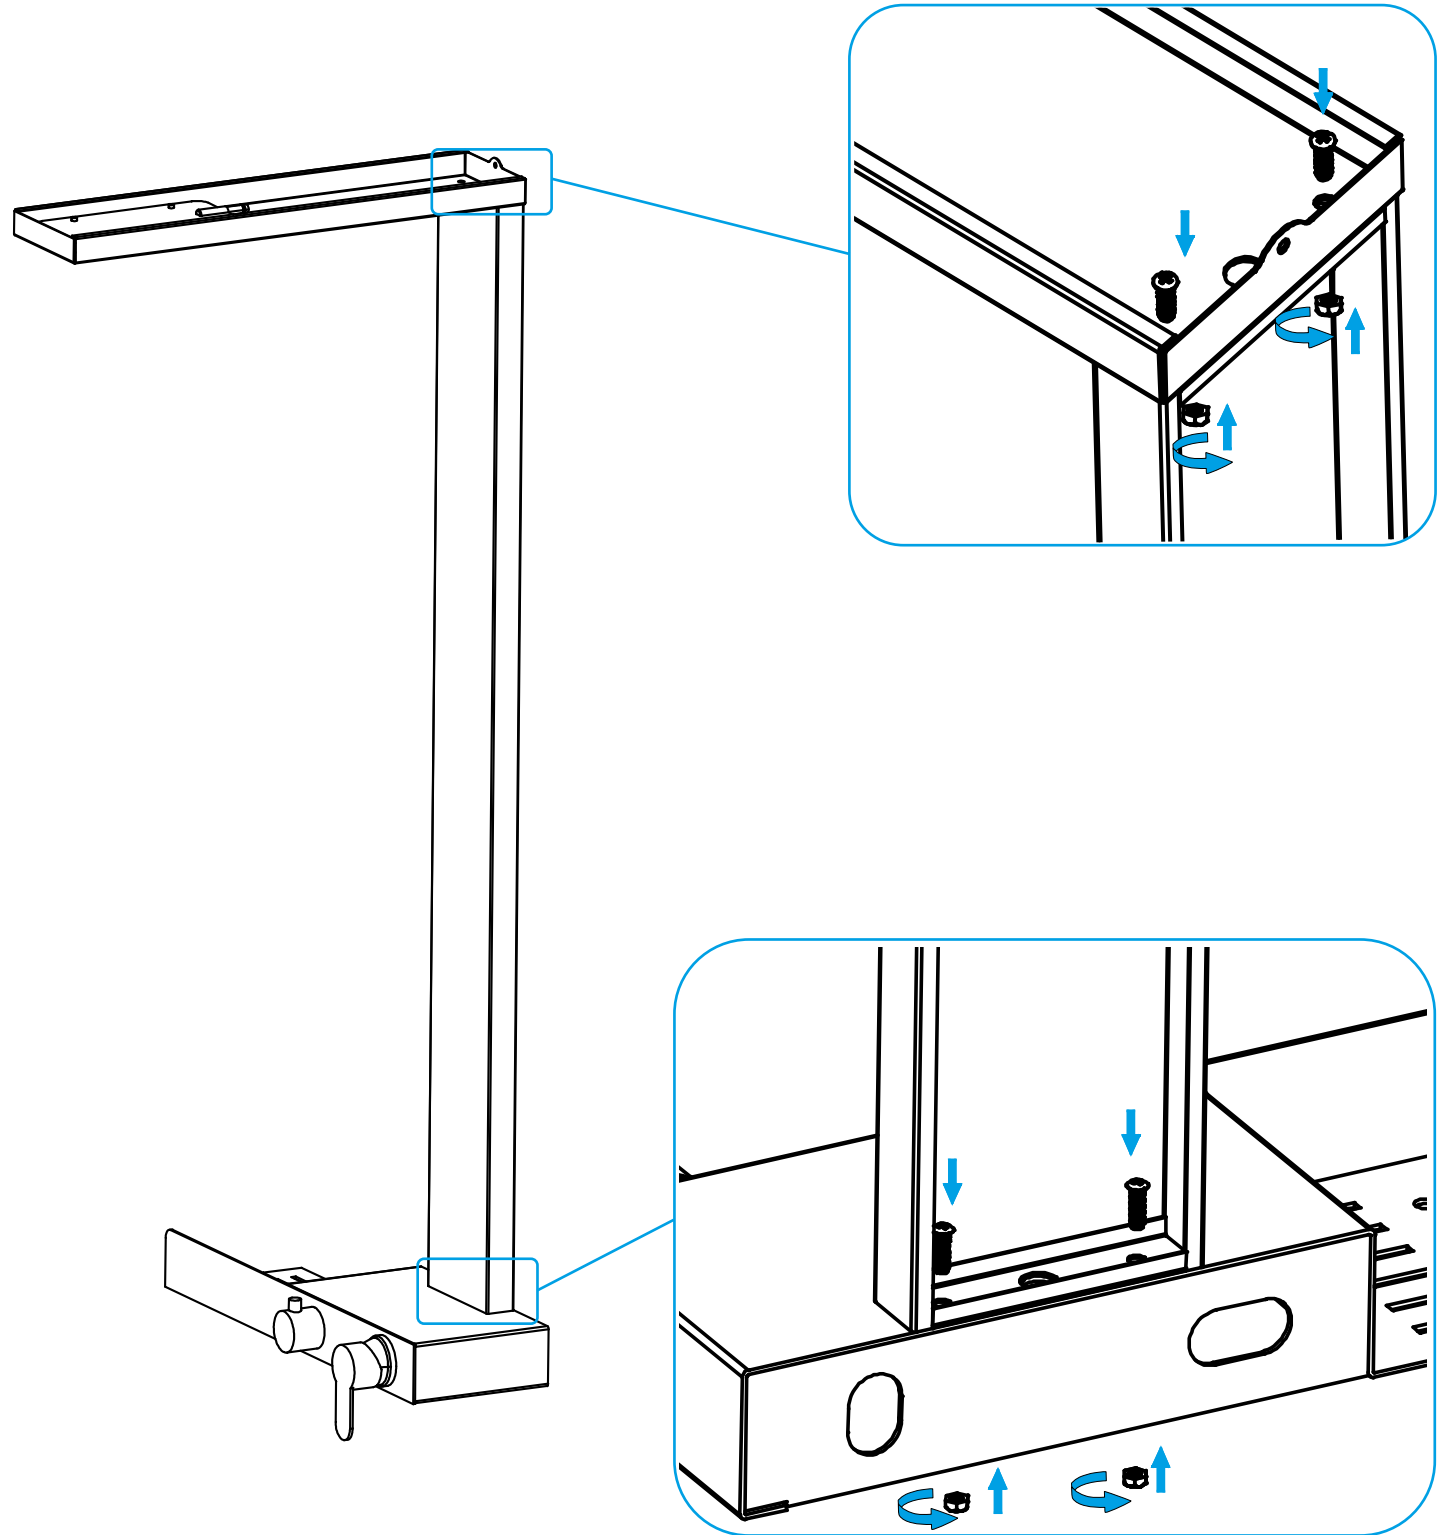

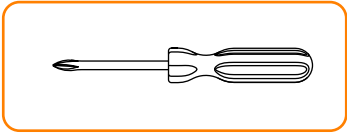

La Marco Mammoliti S.p.A. non risponderà in alcun modo di danni, perdite, anomalie e malfunzionamenti che siano causati da installazione e/o uso e/o manutenzione errati e/o comunque difformi rispetto alle prescrizioni contenute nel presente manuale.

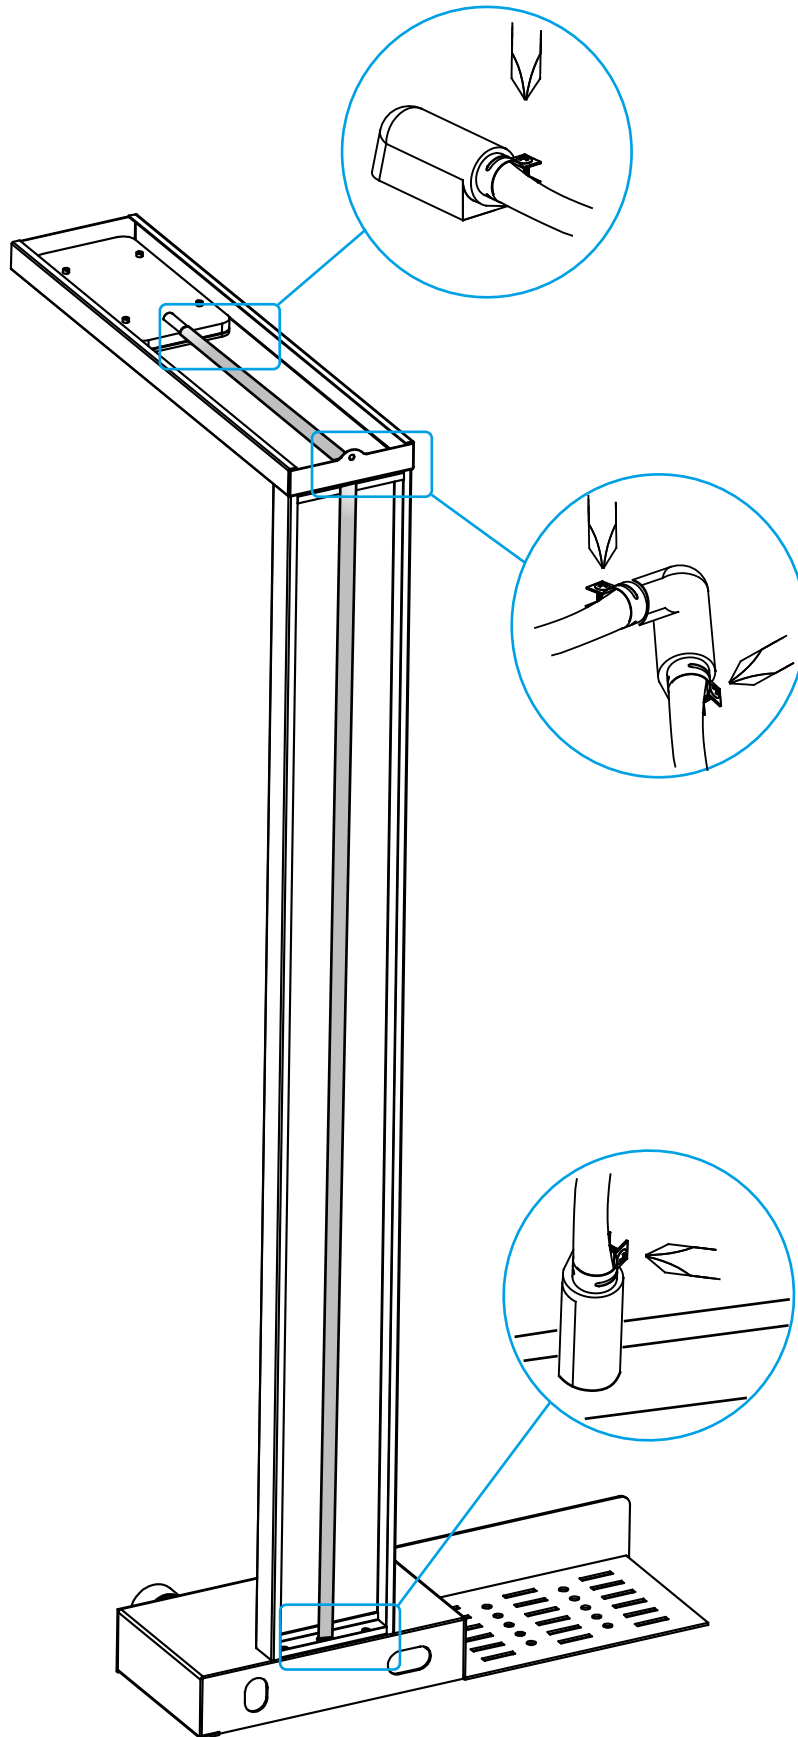

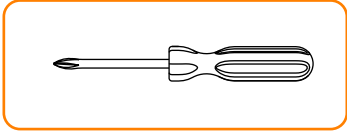

Utensili e materiali per installazione (non forniti)

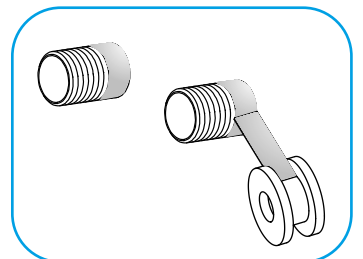

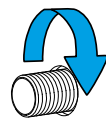

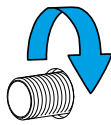

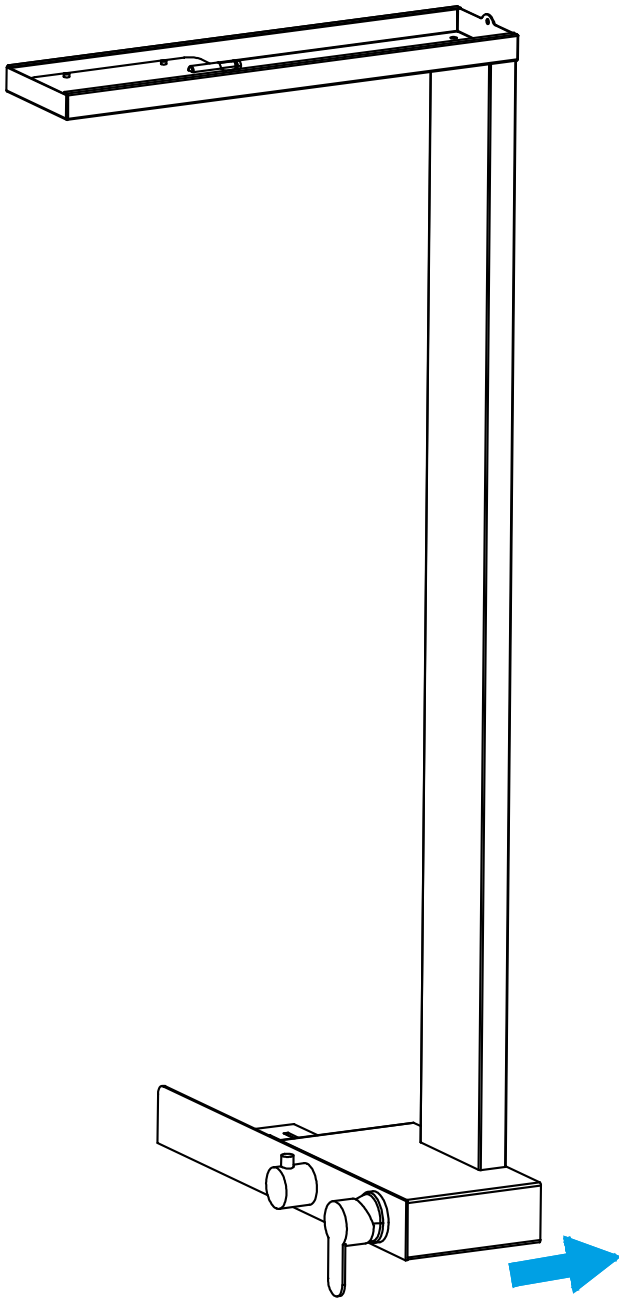

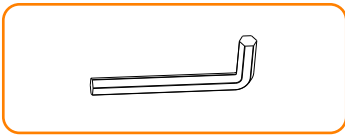

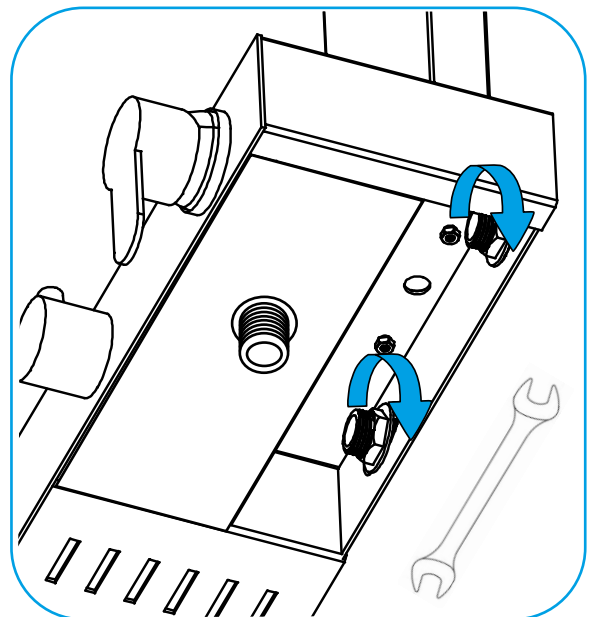

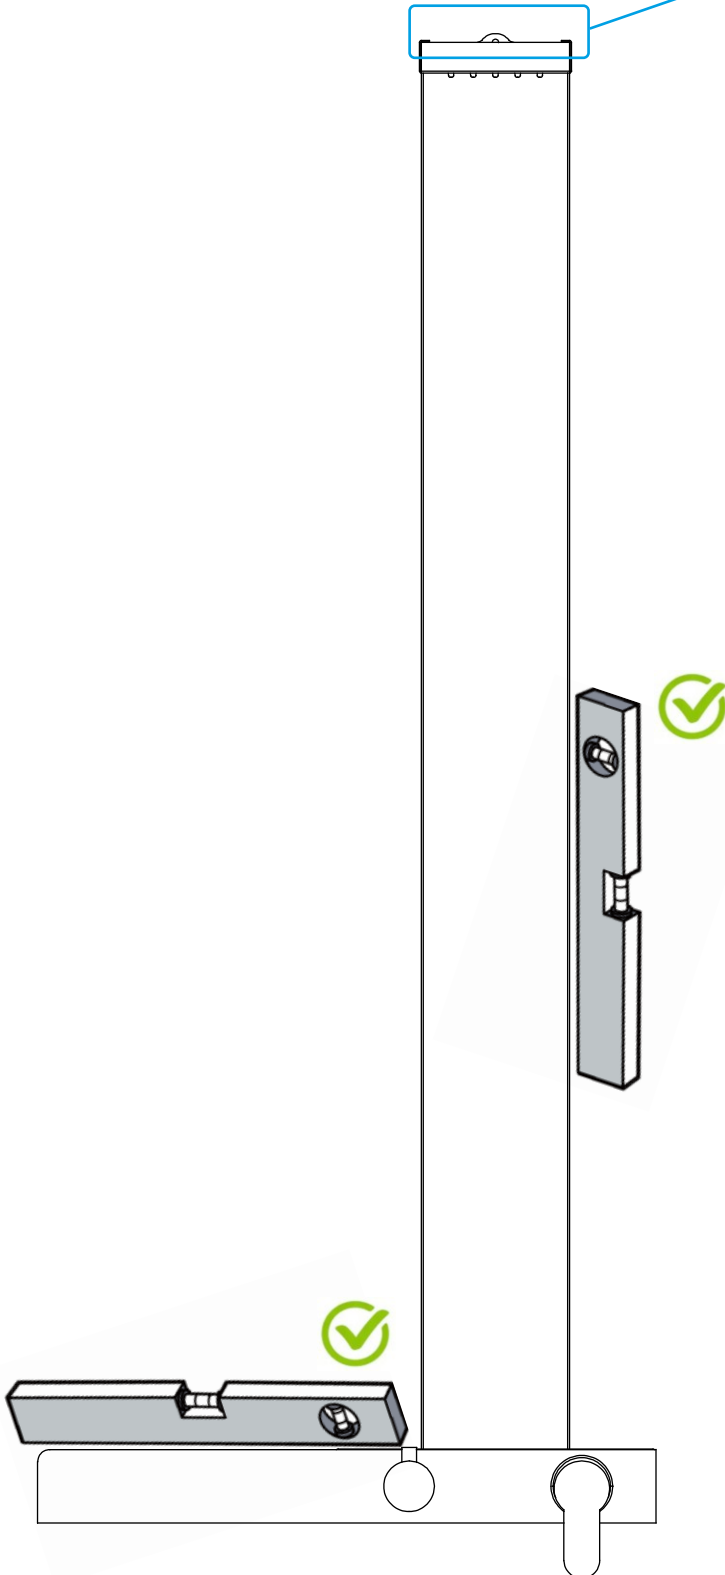

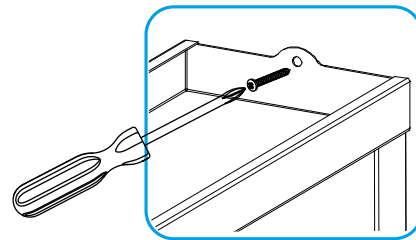

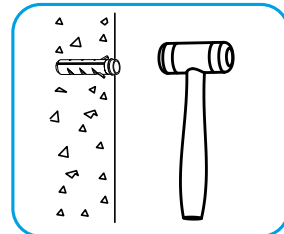

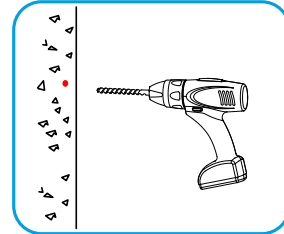

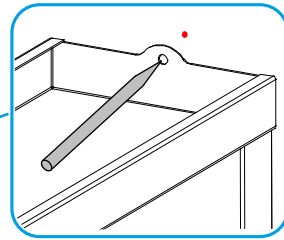

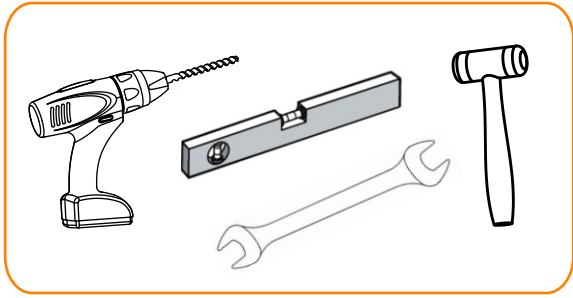

Le immagini ed i disegni hanno uno scopo puramente indicativo.
L'azienda si riserva la facoltà di apportare cambiamenti senza alcun preavviso,
finalizzati alla miglioria del prodotto.
