

LINEA

Istruzioni di montaggio
Base Lavabo 2 cassetti
completa di lavabo in ceramica

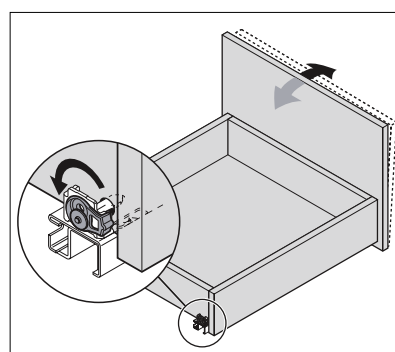

Agganciamento

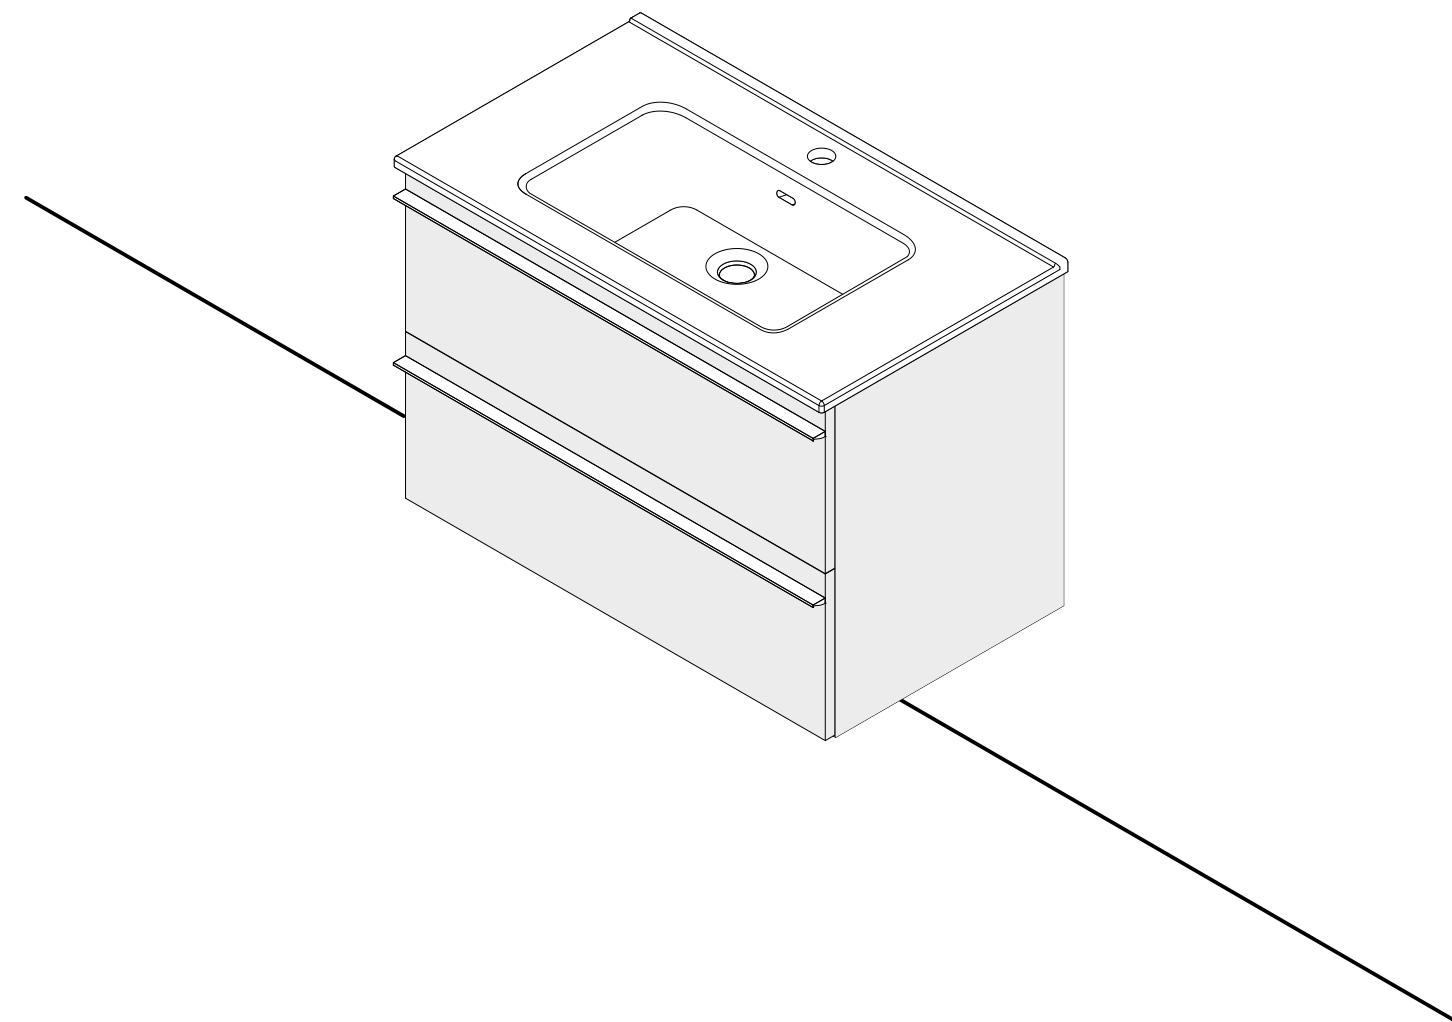

Regolazione cassetti

Regolazione altezza ± 2 mm

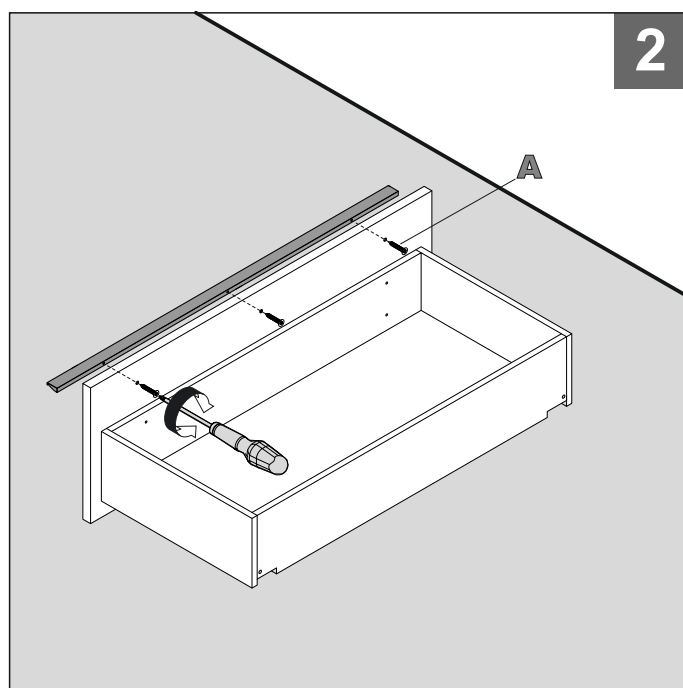

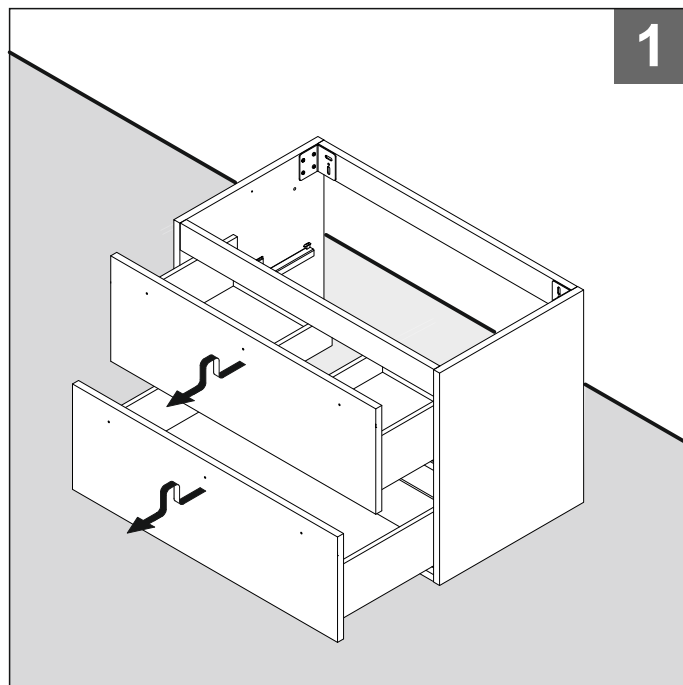

Regolazione dell'inclinazione mediante guida.

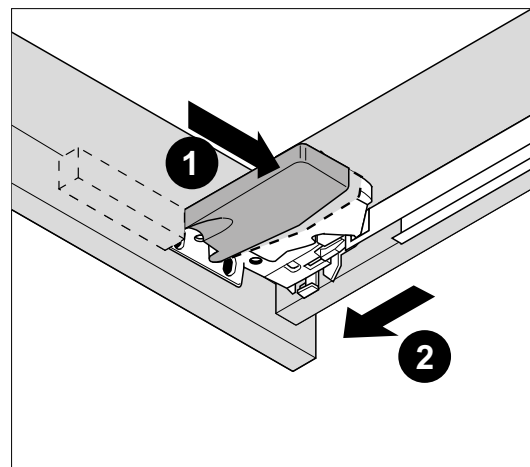

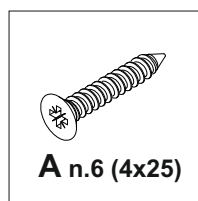

Per evitare infiltrazioni d'acqua all'interno del mobile,
applicare un sigillante siliconico
fra lavabo e parete e fra lavabo e fianco del mobile.

Per la pulizia della base utilizzare un panno morbido con detersivi a base di sapone
e risciacquare con panno appena umido. Per la pulizia del lavabo utilizzare acqua calda
e detersivi. Non usare detersivi abrasivi, sostanze corrosive o acidi.

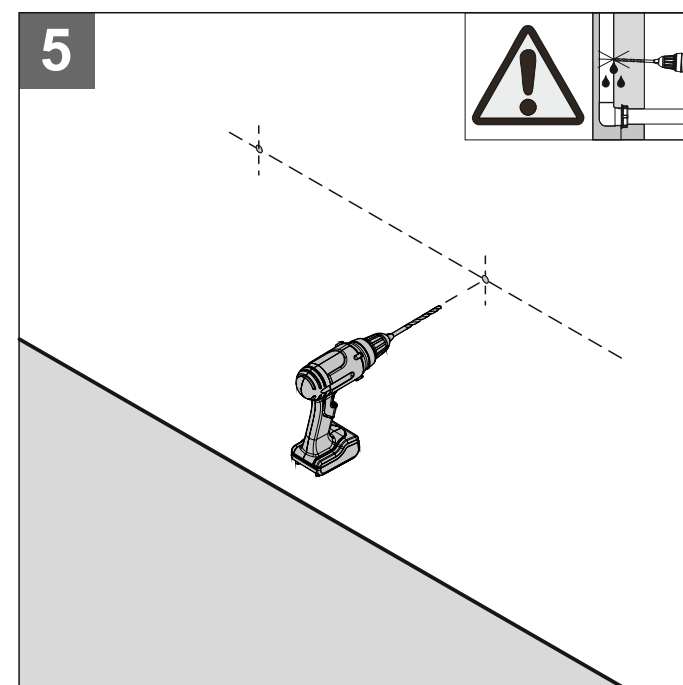

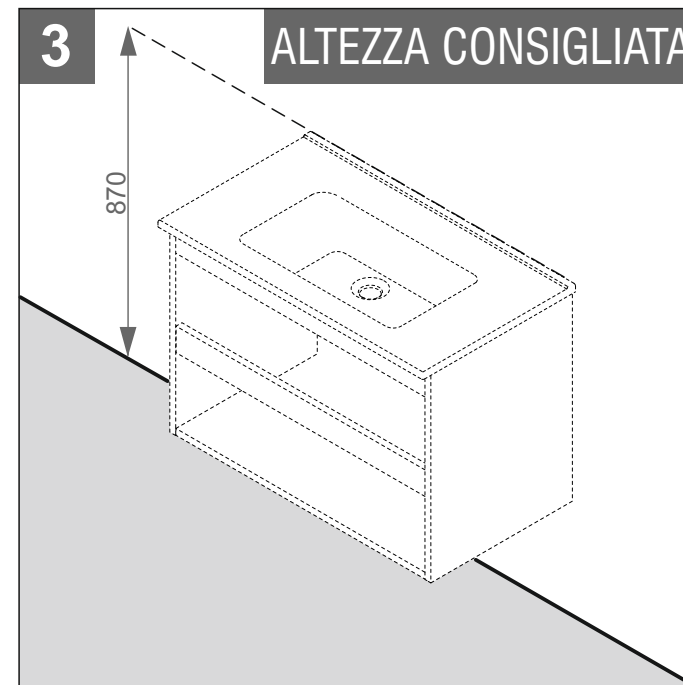

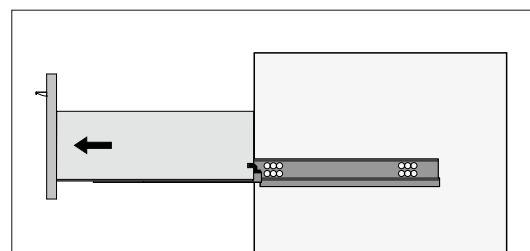

PRODOTTO IN ITALIA

Ferramenta in dotazione (per fissaggio maniglia)

Per sganciare il cassetto fare pressione sulle leve arancioni (posizionate nella sua parte inferiore) verso l'esterno.

N.B. Viti e tasselli di fissaggio NON FORNITI.
