## RECOMENDAÇÃO DE USO / RECOMMENDATIONS FOR USE / RECOMMANDATIONS D'USAGE

**PT** - Produto para uso público e doméstico. Colocar de maneira estável e sobre um solo plano. Não limpar com produtos de limpeza agressivos, como líquidos abrasivos, álcool, limpa vidros, etc. Limpar a superfície com um pano seco ou com água e sabão. Guardar em local seco e limpo.

**EN** - Recommendations for use: Product meant for public and domestic use. Place on a flat floor surface, making sure it is stable. Do not clean under high pressure. Do not use aggressive cleaning products, such as abrasive liquids, alcohol, glass-cleaners, scouring pads, etc. Clean the surface with a dry cloth or soapy water. Store in a clean and dry area.

**FR** - Recommandations d'usage: Produit pour usage public et domestique. Poser de manière stable sur un sol nivelé. Ne pas nettoyer sous haute pression. Ne pas utiliser des produits de nettoyages agressifs, comme des détergents abrasifs, alcool, lave-vitres, de la paille de fer, etc. Nettoyer la surface avec un chiffon sec ou avec de l'eau savonneuse. Conserver dans un endroit sec et propre.
