ENGLISH - For day-to-day cleaning, simply wipe the vanities with a soft, damp cloth and a little mild detergent if necessary. Avoid cleaning agents that include ammonia, alcohol, bleach or abrasives. Rinse afterwards with clean water and then dry with a clean, dry cloth. Do blot up spills immediately. Please avoid exposing the furniture to high concentrations of steam or other forms of moisture. Keeping your bathroom ventilated is highly recommended.

FRANÇAIS - Pour l'entretien habituel du meuble, veuillez nettoyer la surface avec un chiffon légèrement humidifié à l'eau et la sécher rapidement. Ne pas utiliser de lessives composées d'ammoniaque, d'alcool, d'eau de javel ou d'autres produits abrasifs. Il est recommandé de sécher toute eau stagnante. Evitez que le meuble soit exposé à des concentrations excessives de vapeur ou autres formes d'humidité. Nous vous recommandons une bonne ventilation dans votre salle de bain.

ESPAÑOL - Para el mantenimiento diario de su mueble, limpie la superficie con un paño ligeramente humedecido de agua y seque rápidamente. Evite detergentes que incluyan amoníaco, alcohol, lejía u otros abrasivos. Es conveniente secar cualquier derrame de agua que se haya producido. Evite exponer el mueble a excesivas concentraciones de vapor u otras formas de humedad. Le aconsejamos ventilar bien su cuarto de baño.

ITALIANO - Per la manutenzione giornaliera del prodotto, si consiglia di pulire la superficie con un panno leggermente inumidito in acqua ed asciugare a continuazione. Evitare detersivi che includano ammoniacca, alcool, candeggina o altri prodotti abrasivi. È conveniente asciugare qualsiasi fuoriuscita d'acqua. Evitare esporre il prodotto ad eccessive concentrazioni di vapore o altre forme d'umidità. Consigliamo inoltre di ventilare bene la stanza di bagno.
