The diagram illustrates a 6(x2) plate assembly. The main part is a rectangular plate labeled "6(x2)". It features a circular inset on the left side, which provides a detailed view of the edge. In this inset, a grey layer is shown on top of a yellow layer. A circular hole is present in the grey layer, and a small "o" is marked on the yellow layer. A dimension of "8 mm" is indicated for the thickness of the grey layer. A black arrow points to the edge of the plate, and a white arrow points to the bottom edge. The inset also shows a small "E" and a small "A" near the hole. The main plate has "A" and "E" labels at its corners and along its edges. A line connects the circular inset to the main plate, indicating that the inset is a magnified view of a specific part of the plate.
