

Internal Declaration of Performance

1. Identification of the Product

This declaration refers to our product Wall Tiles Natural.

2. Product description and Intended use.

This is an agglomerated cork and a polyurethane binder material, specially developed to be used as multipurpose applications including wall covering and decoration.

Cork granules are a natural clean material, grinded only by mechanical means.

The binder is 100% solids, with no solvents, and the only catalyst to cure is water. It is formaldehyde free.

3. Name and registered trademark

This Wall Tiles Natural is part of GO4CORK brand by Amorim Cork Composites.

4. Declared Performance

Property	Standard	Typical value	Testing institution
Thickness (mm)	EN16354	4 +/- 0.3	ACC
Length (m)	EN16354	0,5 +/-1%	ACC
Width (m)	EN16354	0,5 +/-1%	ACC
Specific weight (kg/m ³)	ISO 7322	210-270	ACC
Tensile strength, (kPa)	ISO 7322	> 400	ACC
Compressibility at 0.7MPa,(%)	ISO 7322	20-40	ACC
Recovery (%)	ISO 7322	> 70	ACC
Boiling water resistance	ISO 7322	No disaggregation	ACC
Color	NA	Cork natural color	ACC

5. Confirmation

We confirm that the product is manufactured in compliance with the declared performance in 4. and is covered by ISO 9001 Amorim Cork Composites quality insurance system. Whereby the product different batches have full traceability.

The information given in this Declaration is based on knowledge available at the time of data compilation and is intended to describe the product requirements. It does not signify any warranty regarding specific properties or specifications.
