A LIRE IMPERATIVEMENT AVANT INSTALLATION

- Avant de commencer l'assemblage, déballer toutes les pièces et contrôler leur état.
- Les parties en verre sont en verre trempé. Sous l'effet d'un choc, elles peuvent exploser en une multitude de très petits morceaux. Ces éléments nécessitent une **manipulation délicate**. Vous pouvez les protéger en les posant sur des couvertures ou des morceaux de moquette.
- Pour plus de facilité et de rapidité lors du montage nous vous conseillons d'**être à 2 personnes**.

NETTOYER ET ENTRETENIR SA FACADE

- Nettoyage régulier : utiliser un chiffon doux avec un détergent au pH neutre. En cas de difficulté à enlever la saleté, utiliser du vinaigre blanc d'alcool dilué avec de l'eau puis rincer à l'eau claire.
- Nettoyage du tartre : utiliser un chiffon doux et du jus de citron et/ou du vinaigre blanc d'alcool chaud puis rincer à l'eau claire.
- **Ne jamais utiliser** de nettoyeur contenant des grains de polissage, d'acétone, de chlore, d'ammoniaque (javel) ou tout autre nettoyeur agressif à base d'acide.

CONDITIONS DE GARANTIE

- Nos produits sont **garantis 2 ans, pièces uniquement, hors casse. Ne prend pas en compte la main d'oeuvre**. La garantie s'exerce au domicile du revendeur, coût de transport et de démontage à la charge du client.
- **Non application de la garantie** : montage incorrect, défaut d'entretien, calcaire, accident ou choc, utilisation de produits abrasifs ou corrosifs, modification du revêtement de surface d'origine.
- Conserver la notice ainsi qu'un document officiel d'achat (facture, ticket de caisse) pour toute réclamation ou demande de pièces détachées.
