Conseils d'utilisation:

Nous vous recommandons de nettoyer la céramique avec un détergent doux et une éponge classique et éviter tous matériaux abrasifs. Évitez tous composants puissants tel que acide chlorhydrique ou de soude et de même les crèmes abrasives.

- La céramique est garantie 2 ans

- Le mécanisme est garantie 2 ans

(sauf pièces d'usure_»joint de clapet , membrane du robinet_»)

Ces garanties ne peuvent être appliquées dans le cas d'une intervention ne respectant pas les recommandations de cette notice.
