

Technical drawing of a circular flange. The drawing includes a side view and a top view. The side view shows a flange with an outer diameter of $\varnothing 70$, an inner diameter of $\varnothing 68^{+0.2}_0$, and a thickness of $\varnothing 12.5$. The top view shows a circular flange with a central hole. The finish specification is *CIRCULAR SATIN FINISH G 240*. A detail view of the edge shows a chamfer with a width of 1.

Technical drawing of a mechanical part, showing a cross-section and a side view.

The cross-section (left) is circular with a central hole and four radial slots. The side view (right) shows a vertical flange with a horizontal base. Dimensions 72 and 70 are indicated. A note "TIG WELDING WITH ADDING OF MATERIAL" points to the base of the flange.
