

### 5000 Induction with Hob2Hood®: Fast heat, automatic extraction

Hob and hood, connected: AEG 5000 induction with Hob2Hood®. Fan speed automatically optimised based on heat from the hob. Get powerful extraction when searing, quieter extraction when simmering. Without lifting a finger.

## Product Benefits & Features

### Your perfect cooking partner

Induction helps you master any cooking technique faster. It heats quicker than other types of hobs so you can get on with your cooking straight away. Quick heat adjustments mean you can produce the finest tastes and textures when you cook.

### Hob2Hood®: The hands-free hood

The Hob2Hood® function connects the hob and the hood. The cooker hood automatically adjusts the fan speed based on the heat, without lifting a finger. For powerful extraction when searing. And quieter extraction when simmering.

### Powerful induction. For perfect paella

The induction hob has an independent large heat zone. Able to react to temperature adjustments in an instant. And given its spacious size, it's the perfect place to work up larger dishes like paella.

### Less steps and more control with Direct Touch Controls

The Direct Touch Controls user interface uses intuitive numbers 1-14 so you can set the right temperature right away without having to toggle through the plus and minus buttons.

### Quicker heat for extra speed with PowerBoost

A blast of fast. No more waiting around for pots to boil. The PowerBoost function gives you an instant burst of heat. PowerBoost is perfect for tasks that require you to boil a large pot of water quickly.

- Hob type: Induction
- Hob with bevelled frame
- Direct Control: sliding touch control technology
- Controls position: Front Right
- Illuminated controls
- Digital indications for each zone
- Induction zones with power booster function
- Pot detection
- Left front zone: Induction, 1800/2800W/180mm
- Left rear zone: Induction, 1400/2500W/145mm
- Middle front zone: No, 0W/0mm
- Middle rear zone: No, 0W/0mm
- Right front zone: Induction, Triple Circuit Round, 1600/2300/3000/2500/3600W/180/240/320mm
- Right rear zone: No, 0W/0mm
- Automatic fast heating up
- Key-lock function
- Child safety lock function
- Acoustic signal with switch off option
- Count up timer
- Eco Timer
- Timer function
- OptiHeat Control
- Easy installation thanks to snap-in system
- Main colour: Black

Product Specification

Installation type	Built_In	Fastening	Snap in System
Product Typology	Electric_Hob	Frequency, Hz	50-60
Installation	Independent	Volt, V	220-240/400V2N
Size, cm	60	Cord length, m	1.5
Hob type	Induction Full	Connector type	No
Design family	AEG Zukunft	Cooking zone - Left Front	Induction
Main colour	Black	Cooking zone - Left Rear	Induction
Control Panel material	Glass	Cooking zone - Middle Front	No
Frame type	Bevelled 2 Sides	Cooking zone - Middle Rear	No
Frame material	No	Cooking zone - Right Front	Induction, Triple Circuit Round
Control knob colours	No		
Control position	Front Right		
Control type	Kite		
Control function	3 step residual heat, Acoustic signal, Automatic heating-up, Booster, Child-lock, Count up timer, Eco timer, Hob-hood connection, Key-lock function, Minute minder, Pause, Sound off, Timer
