

No Frost, forever

No Frost technology prevents ice from building up in the freezer, so you never have to defrost it again. Making it more hygienic and easier to clean, while giving you extra room to store the ingredients that you love.

Product Benefits & Features
No Frost keeps your freezer ice free

With the No Frost technology, there's no need to defrost the freezer. It prevents the build-up of ice, so you can always be sure of maximum performance.

A game changer – unique freezer with recycled plastic

We're proudly introducing our unique freezer with an inner lining made of 70% recycled plastic. Plastic from discarded cold appliances is used to make new ones, helping reduce waste through circularity.

Inner liner rHIPS made with up to 70% recycled plastic representing 13% of total fridge plastic

The Touch Electronic Control on Top offers easy access to functions

Precisely set the temperature and easily access the Freezer functions, thanks to the clear display of the Touch Electronic Control on Top.

Compressor ten-year warranty

Enjoy total peace of mind knowing the inverter compressor itself has a ten-year warranty. The warranty covers damages which could be incurred during labour, transportation, gas removal and refilling, or general maintenance.

Maintain perfect texture with FastFreeze

The FastFreeze system freezes fresh foods quickly so that vitamins, textures, flavours, and all healthy qualities are better preserved.

- For fully integrated, slide door installation
- Net capacity freezing compartment: 211 l
- FrostFree freezer with automatic defrosting
- Door hinges placement: Right & Reversible
- Freezer drawers: 5 Full Width, Frosted
- Freezer flap(s): 2
- Fast Freeze function with auto return to normal settings
- Visual warning signal for high temperature
- Audible and visual warning signal for high temperature
- Audible and visual warning signal for open door
- On/off switch with children security
- Fast freeze function with automatic return to normal
- Very silent: only 35 dB
- Freezer colour/design: White
- 1780 mm built-in height

Product Specification

Installation type	Built_In	Insulation material	Cyclopentane
Product Typology	Cabinet > 880 mm	Insulation freezer	Standard
Installation	BI Slide Door	Condenser	Static
Number of doors	1	Frequency, Hz	50
Design family	Framtid	Volt, V	220-240
Main colour	White	Connected load, W	120
Handle Variant Name	None		
Door hinges	Right & Reversible		
Door type	Flat		
Door frame	None		
Control position	Top		
Control type	Touch electronic control		
Fast freeze function	Touch Button Auto Return		
Fast freeze indicator control	Display		
Type of defrosting freezer	Auto		
Required defrosting	None		
On/Off indicator	Display		
Mains on switch	Children Security Device; Touch Button		
Height, mm	1772		
Width, mm	546		
Depth, mm	549		
Built in depth, mm	550		
Built in width, mm	560		
Built in height, mm	1780
