

PRODUCT INFORMATION SHEET (FICHE)

According to EU Ecodesign and Energy Labelling Regulations

Manufacturer: TRIO Lighting

Model identifier: R62961000

Product type: LED ceiling light with integrated light source

Energy efficiency class: F (scale A–G)

Energy consumption: 18 kWh / 1000 h

Luminous flux: 2000 lm

Colour temperature: 3000–6000 K (adjustable)

Colour rendering index (CRI): >80

Rated lifetime: 30,000 hours

Switching cycles: 15,000

Voltage: 230 V ~ 50 Hz

IP rating: IP20

Light source: Integrated LED (non-replaceable)

Additional features:

- Dimmable
- Adjustable colour temperature (CCT)
- Remote control
- Night mode
- Memory function

Note: This product contains an integrated LED light source which cannot be replaced by the user.
